

HOW TO SIGN UP AND USE MEETUP WITH YOUR BCB MEMBERSHIP

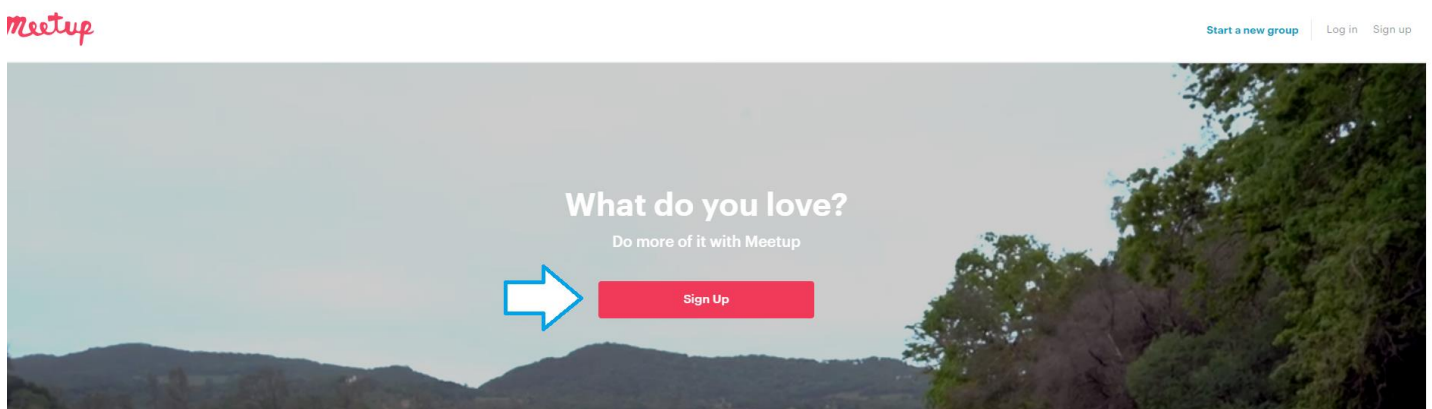

MeetUp is a networking tool for people looking to connect with a common interest. It is the frame work for those common interest topics. Each group on MeetUp was created by someone who has assumed the role of organizer. There is a cost to create a group which the organizer pays or passes on by charging members a small fee to participate. Members of Bee Cee Beemers (BCB) have this fee paid by their annual membership dues. MeetUp is free to join and Bee Cee Beemers MeetUp is free for members to join and therefore is closed to the general public.

In order for Directors to know who a BCB member on MeetUp you need to use your full name associated with your BCB membership. This is also useful when you express interest to an event and those you meet at the event already know your name from our MeetUp event calendar.

The first thing you need is create a free membership to MeetUp:

<http://www.meetup.com/>

Once you land on the MeetUp home page you will notice the “SIGN ME UP!” button, select.

Most groups like BCB have created a short questionnaire to learn more about you. Only BCB members will have access to see this information. Below is the Bee Cee Beemers Riders Group MeetUp home page:

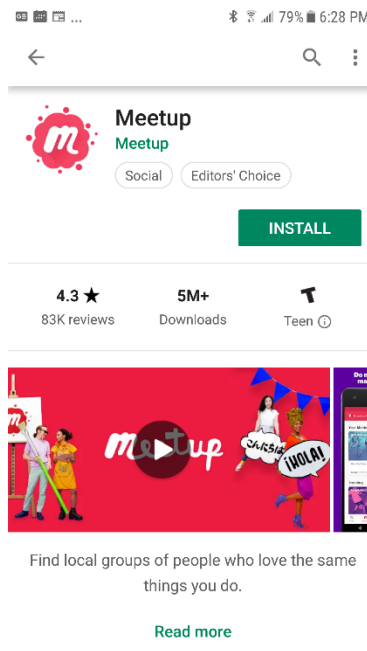

MeetUp is easy to navigate: Under the group photo see: About, Events, Members, Photos, Discussion & More.

Events appears in a "List" format and can be viewed in a calendar format by selecting "Calendar".

After attending an event you may comment, add pictures and rate the event.

MeetUp has an App available from the App Store. This way you can check in and stay updated anywhere! Use the same log in name and password as you did on your computer.

“Photos” are Grouped by the event they were loaded to or a topic. You can also post “documents” which are under the button labelled “More”. Travel information etc may be here. I have posted Washington’s ferry schedule here.

The screenshot shows the Meetup website interface for the 'Bee Cee Beemers Riders Group'. At the top, there are navigation links for 'Home', 'Members', 'Sponsors', 'Photos', 'Pages', 'Discussions', and 'More'. The 'Photos' tab is selected. Below the navigation bar, there is a section for 'Photos' with an 'Upload photos' button and a 'Sort by:' dropdown menu set to 'Created'. Three photo thumbnails are displayed: 'Meetup Group Photo Album' (13 photos, activity on Jul 14, 2015), 'Vancouver Motorcycle Show - 2015 Abby' (6 photos, activity on May 13, 2015), and 'Evening Rides' (1 photo, activity on Oct 8, 2014). On the left side, there is a sidebar for the group 'Vancouver, BC' (founded Jul 2, 2014) with options to 'About us...', 'Invite friends', and statistics for 'Riders' (48), 'Group reviews' (2), and 'Upcoming' (9).

When you open a past event you see any discussion prior and post, and if pictures have been uploaded to that event. In the example below there are 6 pictures uploaded.

The screenshot shows the Meetup website interface for a past event titled 'Wa Omak: #3 & #20'. The event is scheduled for September 20, 2014, at 5:00 AM, and is organized by Steven Bout. The event description includes details about the route (Knight Hawk, east of Omak, Coulee Dam) and weather conditions. There are 6 photos uploaded to the event, as indicated by the '6' icon on the photo thumbnail. The event is categorized as '1 went' and is hosted by Steven Bout, the Organizer and Event Host. The sidebar on the left shows the group 'Vancouver, BC' with 48 riders, 2 reviews, and 9 upcoming meetups.

If you find your self lost and can't get back to the main screen page, select the MeetUp logo on the top left of every screen and you will be returned to your home page.

Once your account is set up and you have found the Bee Cee Beemer Riders Group and requested to join, please add the MeetUp App to your tablet or Smartphone and log in there as well so you can see alerts as they happen.

I hope this is helpful for you as it is the Executives goal that you get the most out of your membership experience and MeetUp is our event tool for broadcasting and sharing event information to our members.

We always appreciate your feed back and encouragement!
